PACK 102 TAKE FLIGHT FUN!!!

Our pack had a fantastic Take Flight month. We were honored with a great demonstration of skill and knowledge from our very own Mr. Haverlah! The boys were delighted with his RC Planes and Helicopters and they were even entrusted to fly them on their own! Thank you for showing our boys the dynamics and challenges of flight!

their planes into a target and the second race was to see whose planes flew the farthest. The top three winners won special flight prizes! Congrats to our winners and to all the Scouts that participated. Thanks for a night to remember!!

PLANE DERBY:

During the Month of March, our boys created their own flying machines for our first Pack Plane Derby. All planes were made 100% of paper and were each their creators unique creations. 2 races were held: one where the boys had to fly

Featured Beltloop & Pin For April—Wildlife Conservation

Wildlife Conservation Beltloop -

Do all of these:

1. Explain what natural resources are and why it's important to protect and conserve them..
2. Make a poster that shows and explains the food chain. Describe to your den what happens if the food chain becomes broken or damaged.
3. Learn about an endangered species. Make a report to your den that includes a picture, how the species came to be endangered, and what is being done to save it.

Pin Requirements—Do 5 of them:

1. Visit a wildlife sanctuary, nature center, or fish hatchery.

2. Collect and read five newspaper or magazine articles that discuss conservation of wildlife and report to your family or den what you learn.
3. Learn about five animals that use camouflage to protect themselves. Tell your den or an adult family member what you learned.
4. Make a birdbath and keep a record for one week of the different birds that visit it.
5. Make a collage of animals that are in the same class: fish, amphibians, reptiles, birds, or mammals.
6. Make a plaster cast of an animal track. Show it to your den.
7. With your parent or adult partner, visit with a person who works in

wildlife conservation, such as a park ranger, biologist, range manager, geologist, horticulturist, zookeeper, fishery technician, or conservation officer.

8. Visit a state park or national park.
9. Participate in an environmental service project that helps maintain habitat for wildlife, such as cleaning up an area or planting trees

April Theme: Spring Into Action!

April is a great time to get out and enjoy the great warmer weather. It is also a great time to turn out thoughts on conservation and doing Good Turns in our community.

Cub Scouting Values Achieved This Month:

- Sportsmanship and Fitness**, Cub Scouts will learn the importance of being fit and playing fair while enjoying games and outdoor activities.

- Friendly Service**, Cub Scouts will demonstrate friendly service through clean up or beautification projects.

- Preparation for Boy Scouts**, Cub Scouts prepare to be Boy Scouts as they gain more outdoor experiences

- Positive Attitude**, Boys will see that even a difficult project becomes easier and more often fun if they think they can do it and do their best.

Focused Character Connection:
Positive Attitude

A positive attitude means setting your mind to look for the best in all situations. Work with your scout to grow his positive attitude in all he does.

APRIL PACK MEETING CHALLENGE:

Make a simple birdbath, squirrel or bird feeder to donate to a local Boerne nursing home that greatly needs them for their residences.

Celebrating 100 years—A year of Celebration

By demonstrating dedication to five of Scouting's core values, Cub Scouts and leaders can earn award ribbons to hang from the 100th Anniversary Commemorative patch. A Year of Celebration, A Century of Making a Difference is fun, engaging and—most importantly—shows America the impact of Scouting through its commitment to these values. A Year of Celebration will be in effect from Sept. 1, 2009, through Dec. 31, 2010.

Categories include: leadership, Outdoors, Character, Achievement and Service.

Leadership Requirements(3 of 5):

1. Explain what makes a good leader and give an example of a Scout (past or present) demonstrating those qualities. Ask your parent or den leader what makes a good leader.

2. Practice being a leader such as being a denner for one week. Write or tell your

parent or den leader about what you did during that week.

3. Get a friend to join Cub Scouts.

4. Organize the den to set up and take down chairs at the pack meeting.

5. With the approval of your den leader, plan and lead a den activity.

Spring Pack 102 Recruiting

Spring is a great time to recruit new Cub Scouts, especially Tigers!! Kindergartners are eligible to register with our pack after June 1.

We will begin our recruiting at Curington Elementary on Wed, April 17th f& May 12th from 10:15-1:00pm in the Café. All Pack 102 Scouts are encouraged to wear your Class A uniforms on these days to help get the word out about scouting and our pack!

The Pack is also getting ready for its biggest adventure of the year – SCOUT SUMMER DAY CAMP!!! (June 22-25th—Boerne Fair Grounds, 8-4pm). Once a boy goes to camp and has a good

time, he will be hooked!!

The key to retention through the summer is having our BSA Program continue. As a result, we have many opportunities for families to spend time together and Do Good Turns at the same time!! We have a Pack events scheduled, like JAKES (Juniors Acquiring Knowledge) with events that includes Bass Fishing / Air Rifles / Archery / Turkey Calling / Scavenger Hunts and MORE at YMCA Roberts Ranch - Comfort, Texas on June 12th, sleeping at the Missions baseball Field on June 19th, a fun filled family Day at Mo's Ranch on July 10th and a community wide service project

that involves cleaning up the Guadalupe River Cleanup with the GRA on July 24th. So mark your calendars and hope to see you at some of these events!

We will have the following meetings over the summer as well, to allow for some consistency for the boys o please mark your calendars:

Cubmaster Minute

Dear Pack 102, after being surrounded by our Pack for 7 months, I realize that I'm not going to be the reason whether Pack 102 continues to be successful or not. It is successful because of the group of scouts, leaders, and parents that are involved and each of them is just as important as the other. So, I've decided to not take myself too seriously and have fun with this new responsibility. My idea of fun may not be the same as the next person's but I'll make sure that the scouts have fun along with me. I will be trying some new things this year. I will be asking the den leaders and the parents to be patient to try these things with me. Some ideas may work, some may not but at least we will give it a try. This year will be a learning experience for me as I settle in to my new role but hopefully we'll all have a great time along the way.

Scoutingly, Your New Cubmaster, Mrs. Jaime Adams
